

Chicago Housing Options Survey Tool (HOST) March 2010 Webinars

web-based tool to connect clients to supportive housing options

Join us to learn about the new features of HOST including:

- HPRP Screening and Referral
- New options for logged-in users
- How to update your housing option profile in HOST

We're hosting 2 webinars, both one hour, each covering the same material. You don't have to register, just follow the instructions below to join.
